

Fundraiser Thank-You Email

Subject: Thank you for showing up

Hi [name],

I wanted to take a moment to thank you for coming out to the fundraiser. Looking around the room that night and seeing the people choosing to show up for Port Moody meant a great deal to me — and it gave me real energy heading into what comes next.

Campaigns are built on people, not slogans. Every conversation, every familiar face, every “count me in” was a reminder of why I do this work. I’m genuinely grateful you were part of it.

A quick note on what’s coming: I’ll be making the official campaign announcement in the coming weeks, with the campaign website launching alongside it. If you signed up for volunteering, sign-hosting, or anything else, the campaign team will be in touch. If you’d like to stay in the loop on updates, just reply to this email and we’ll add you to the list.

Thank you again. More soon.

Warmly,

Meghan Lahti Mayor of Port Moody
